\$419.90
SET OF 4

Give your truck the appearance of an upmarket trim level with Bushwacker OE Style Fender Flares. They're designed specifically to complement your vehicle's styling, so it looks like it came from the factory that way, with a fit, finish, and level of protection that exceeds original equipment.

You can leave your OE Style Fender Flares with their original matte black finish for a sporty blackout look, or paint them to match/accent the body color for the look of limited edition luxury or individual customization.

OE Style Fender Flares are designed for upgraded durability and flexibility. Made from thick, durable, UV-resistant material that won't warp or chalk. OE Style Fender Flares deliver premium-grade protection with premium-level style.

ROLL-UP UTILITY WITH A HARD COVER ATTITUDE

TruXedo presents the next addition to the roll-up cover line. The Titanium is the ultimate combination of hard slats and soft vinyl, resulting in a stylish low-profile roll-up cover with the strength and toughness of a hard panel tonneau cover. Titanium automatic tension control to ensures your truck bed always looks its best, no matter the temperature outside. Titanium also features a single-sided latch system to make opening your cover a breeze.

DEUCE

2 IS BETTER THAN 1

The Deuce doesn't like to play by the rules. Not only does it roll up from the rear like a conventional tonneau cover, with a pull of a latch, the front flips over to allow you to access the front of your bed. Deuce works great in conjunction with TruXedo's Tonneau Mate Tool Box or Expedition Soft Cargo Bag mounted beneath the tonneau cover. Deuce is constructed with a heavy-duty aluminum frame and automatic tension control to ensure your truck bed always looks its best. Deuce features an industrial hook-and-loop system that is superior to its competition. Deuce also features a single sided latch system to make opening your cover from the rear a breeze. Combining flexibility with the stylish low-profile design that TruXedo offers makes the Deuce stand above the rest.

Cargo Liners

WeatherTech Cargo Liners provide complete trunk and cargo area protection. They are digitally designed to fit your vehicle and feature a raised lip to keep spills, dirt and grease off your interior, protecting your investment from wear and tear.

Made from a material that is not only wear resistant, but also remains flexible under temperature extremes. WeatherTech Cargo Liners feature a textured finish that helps to keep cargo from shifting. Perfect for hauling just about anything from gardening supplies to construction materials, even pets.

Available in Black, Tan, Cocoa, or Grey.

No-Drill Mud Flaps

The WeatherTech Mud Flap set literally "mounts-in-minutes" (in most applications) without the need for wheel/tire removal, and most importantly - without the need for drilling into the vehicle's surface! Contoured specifically for each application and molded from a proprietary thermoplastic resin, WeatherTech Mud Flaps will offer undeniable vehicle protection.

Featuring the patented QuickTurn hardened stainless steel fastening system. WeatherTech MudFlaps provide protection for your vehicle's most vulnerable rust area; protecting the fender and rocker panel from stone chips, slush, dirt and debris.

REAR DECK LID CAR SPOILERS

California Dream Wings use blow mold technology to produce a spoiler with no seams to split or crack. They are extremely lightweight, there is no need to reinforce the trunk lid or torsion bar assembly. Internally molded mounting inserts eliminate cross threading and stripping for faster, trouble free installation. Custom mounting hardware and installation kits include a mounting template to ensure a perfect installation. Available for many cars 1988-Current. Call for more information.

COMPLETE KIT

WeatherTech Seat Protectors are the perfect accessory for those needing an extra step of protection for their rear vehicle seating. A much needed accessory for the family "road trip warriors" or pet "car ride" companions to prevent scratches, damage or spills from ruining the seat surface. Seat Protectors are made from a polycotton drill fabric that features a durable water-repellent finish that'll combat any mess! It's also engineered with an extra layer of nylon lining, which helps to further protect the covered seat. It stays in place with the help of durable straps, specialty inserts and a non-slip bottom. Semi-custom to fit the size and type of vehicle. Quick and easy installation, as well as easily removable for cleaning. The Seat Protector is machine washable, making it an easy accessory for any family. This product is for rear seats only - It is designed to fit most bench-style and bucket rear seats. If your vehicle is equipped with a center seatbelt, it will not be accessible.

Payment and Terms

Shipments will be delivered by your option:

C.O.D. - Make checks payable to: **Browns of Two Rivers, Inc. COD on Spee Dee Delivery and Waltco only.**

Credit Card - Mastercard, Visa, Discover, and American Express are accepted.

Open Account - Terms are Net 10th of the following month. Applications are available to customers who will be purchasing on a regular basis. Approval will be made at the discretion of BROWNS OF TWO RIVERS, INC.

Non-Sufficient Funds checks will be submitted again for deposit. If the check is returned a second time, it will be placed for collection and a \$45.00 fee will be added to each check. Future orders will be sent out CASH or credit card only.

Warranties or Disclaimers

BROWNS OF TWO RIVERS, INC. total liability is limited to the invoice value of the part in question. It is your responsibility to examine the part for fit before prepping. Sheet metal parts are very susceptible to slight damage due to the nature of the product and method of shipment. All sheet metal parts are packaged and handled with great care. Having been shipped half way around the world by ship and then by truck, there will most likely be a few scratches or small dents. This cannot be helped. No credit will be issued for sheet metal that has small dings, scratches, or other minor flaws. Any body panel (reproduction or factory original) requires minor body work when installed for a show quality finish. All warranty/service claims will be processed according to the manufacturers' policies. Any warranty issue after 30 days must be handled by the manufacturer's warranty department.

Shipping

Customers located in Illinois, Iowa, Indiana, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin receive free freight on on \$1,700.00 orders if paid in advance or with established credit. We will ship with the most economical carrier. We use Spee Dee Delivery whenever possible. Spee Dee offers full coverage of Wisconsin, Minnesota, Illinois, Iowa, South Dakota, as well as partial coverage of North Dakota, Nebraska and Missouri.

Damage Claims

Damage claims must be made at the time of the delivery. Write all claims on the delivery ticket of the carrier for truck freight before signing. **Claims must be made with the delivery carrier.** All sheet metal parts are packaged and handled with great care but due to the nature of the product and having been shipped half way around the world, some scratches or small dents are to be expected. Any body panel (reproduction or original) requires minor body work for a show quality finish. Open and inspect all parts received immediately. **Any concealed damage must be reported within 24 hours of delivery.**

Returns, Refunds, Credits

Special Order Items are **NOT** returnable. Merchandise returned to BROWNS in saleable condition, not painted or altered, will receive full credit or refund. **Items that have been painted, primed, sanded, or altered in any way will not be accepted regardless of any other circumstances.** Any item returned with parts missing or broken will not be credited. Original packaging materials must be used for returns. Returns must be made within 30 days of the invoice date.

NO RETURNS AFTER 30 DAYS.

To receive a credit or refund, all returned merchandise must have a Return Authorization Number. Call 1-800-558-7750 for a return number and write it clearly on the outside of the package for identification. Returns must be returned to us freight pre-paid, or the return shipping will be deducted from your credit or refund. All items purchased by check require a 15 day waiting period before a refund can be authorized. All warranty/service claims will be processed according to the manufacturers' policies.

Back Orders and Availability

Back orders are shipped as soon as parts become available. Some parts have a limited availability, especially restoration parts. Certified parts are shipped when available.

Taxes

Wisconsin residents will be charged Sales Tax. A Wisconsin Resale Certificate must be on file at BROWNS OF TWO RIVERS, INC. for Wisconsin residents who are exempt. Certificates are available upon request.

Prices

All prices are subject to change without notice. Call to verify pricing on all items made of or containing steel.

-- Not responsible for typographical errors --

Reproduction

Reproduction of any part of this catalog is strictly forbidden without written permission from BROWNS OF TWO RIVERS, INC

All returned items must be in the original carton with all pieces and parts included. We will not issue a refund when parts are missing or damaged. Original packaging materials must be used for returns.

Rust Happens.

But you don't
have to show it.

Browns Flares are an easy and affordable way to dress up your truck. The black textured finish does not require any painting. The flares use the factory mounting holes when available and many install without any drilling. Available for many full full size trucks.

All panels are not created equal!

The Competition's
Panel

Two cab corners for the same application, one from Key Parts and the other from a cheaper competitor. They look very similar side by side. You may not even be able to tell the difference in a catalog!

The look might be similar, but the scale tells a different story.

The panel from Key Parts is 83% heavier!

2 lbs 6.2 oz on the Key Parts panel, 1 lb. 4.8 oz on the competition's panel. Key Parts uses thick 18 gauge steel compared to the 24 gauge panel from the other guys. Don't use inferior parts on your restoration. Browns of Two Rivers sells only the best quality repair panels from Key Parts.
